“Our mission is to provide the best quality in entertainment, ensuring our customers’ needs and requirements are met.”

ICE FOUNTAINS

Guaranteed to make a lasting impression, our Ice Fountains are a specially constructed and safe form of indoor fountain, which generate a stunning jet of sparkles when lit. The non-toxic and virtually smoke free composition lights immediately and creates a brilliant stream of glittering light, sure to impress and set the scene.

Product conforms to relevant European Safety Standard (EN 14035-15)

ICE CANNONS

Add a dramatic yet magical touch to any celebration with our specially designed confetti cannons. Powered by a compressed air cartridge that when exploded, ejects a swirling shower of multicoloured foil into the air, creating a confetti cloud that gently flutters to the ground.

SUITABLE VENUES

Restaurants

Your customers are a captive audience and our products can help you add a special touch to any celebration. Customer satisfaction is paramount to your business and further enhancing their experience with distinctive touches could make a lasting impression that counts.

Wine Bars

Umbrellas and olive sticks are a thing of bygone eras whereas mini indoor sparklers and ice fountains add a glamorous and dramatic touch. Our products are currently being used in a large number of reputable wine and cocktail bars.

The background is dark with some blue and purple lighting, suggesting a party or nightclub setting. There are some light streaks in the top left corner.

Nightclubs

Whether a flamboyant cocktail, a magnum of champagne or an occasion to shout about, the partying public often likes to be seen and acknowledged and our products will not disappoint. A vast number of nightclubs in London and throughout the UK are supplying our Ice Fountains with all their champagne sales as well as our glow products, cannons and mini sparklers.

Party Shops

New products are appearing all the time and competition is fierce. At Ice Entertainments, we like to stand out from the crowd by ensuring that quality is of the highest standard and your margins will not suffer as a consequence.

Wedding Suppliers

Quality, elegance and individuality are a prerequisite of any wedding and often the beauty is in the finer detail. Ice Entertainments products have been designed not only to a high quality of excellence but with the aim to be memorable.

ICE GLOWS

A range of glow products that radiate a variety of colours from cool blue, flaming red or luxurious purple, creating a dramatic and stylish ambience. Our selection features an array of LED products along with traditional bend and break system products.

ICE SPARKLERS

Our vivacious mini sparklers will emit brilliant glittering flashes and add a special touch to cocktails and any table setting arrangements. Our non-toxic and virtually smoke free composition packs a punch, regardless of its miniature status!

Product conforms to relevant European Safety Standard (EN 14035-15)
