

Introducing the newest member of the Ice family...

The Ice App

"nightlife made easy"

The Ice App is a brand new mobile application that enables you to organise every aspect of your night out at the touch of a button. With a vast number of venues worldwide partnering the Ice App, you will now have an endless list of nightlife options at your disposal.

About

Organising a night out has never been so simple and straight forward. The Ice App offers you access to a vast number of nightclubs, bars, hotels, pubs and taxis all over the world, so whether you are planning a weekend away with your friends or a spontaneous night out after work, you will now have an endless list of nightlife options at your disposal. This unique application is your own personal nightlife 'concierge'. You can pre-book everything from tables and guestlists at nightclubs to hotel rooms and even your taxi home!

Costs

The next time you are making plans, try out the Ice App for yourself. It's quick and easy to use but best of all its completely FREE!

Features

RESERVATIONS & BOOKINGS

Nightclubs and bars offer a 'Book Table' or 'Book Guestlist' function. Hotels or pubs offer a direct 'Call' or 'Call Back Message' function. Taxis offer a direct 'Call' function.

NEWS & EVENTS

Events can be synchronised with your mobile device calendar when added to favourites. Venues will also regularly upload any important nightlife news.

ICE APP FRIENDS

The Ice App offers you the ability to create a network of friends within the App, allowing you to add other Ice App users as Friends.

REVIEWS

Venue reviews can be made informing Ice App users of your experiences. It is a great way to leave your thoughts and opinions for others to see.

GPS LOCATION FINDER

The Ice App has a GPS system linked to your phone (similar to Google Maps) so you can see every venue around your current location.

FREE TO USE

With no hidden charges the Ice App is completely FREE to download and FREE to use. No credit card details are required!
